**Name:** Sean Graham  
**Position:** Partner  
**Qualification:** B.Com, Hons B.Compt, CA(SA), ACMA, R.A.  
**Firm:** Horwath Zeller Karro, Cape Town  
**Email:** sean.graham@horwath.co.za

Sean joined the firm in 2001 as a trainee accountant after spending 2 years in the employment of the Cape Town City Council. He passed both qualifying examinations on his first attempt and qualified as a Chartered Accountant in 2004 and was thereafter promoted to Audit Manager.

Sean was admitted as partner on 1 March 2007 and specialises in auditing and consulting (mostly the manufacturing industry and NGO sector).

Due to his keen interest in the manufacturing environment and performing valuations, Sean obtained his CIMA (Chartered Institute of Management Accountants UK) qualification in 2008. He was also awarded certification by the American Society for Quality (ASQ) as a Black Belt in Six Sigma principles and methodologies.

Sean has obtained accreditation with the International Trade Administration Commission (ITAC) in their Textile and Clothing Industry Development Program (TCIDP) administered by the Department of Trade and Industry (DTI) to act as a Professional Claims Administrator and Accredited Auditor and regularly assists clients that are still part of the Small and Medium Enterprise Development Program (SMEDP).

He serves on the Cape Town Central Small and Medium Practices Discussion Group of the South African Institute of Chartered Accountants and serves on the firm's committee to ensure the continued updating of our audit approach to comply with International Auditing Standards.
